Dear new member,

Welcome to SchermaCentrum Amsterdam, also known as SCA! We are very pleased to welcome you to our club as a new member. This letter is to inform you about the possibilities and responsibilities that are connected to your new membership. Please contact the coaches and Board with any additional questions. The club's Statutes and Bylaws are available for inspection in the fencing hall.

## Information

SCA is an active club. We often have important, fun, and interesting information to share with you. We do this in several ways:

- All information regarding SCA and its activities is available on our website, [www.schermaCentrumamsterdam.nl](http://www.schermaCentrumamsterdam.nl). Visit this website often for news, tournament results, pictures and any additional information
- SCA also actively uses a newsletter. You will be signed up automatically upon becoming a member if you checked the box on the registration form. Via this group, we will inform you about upcoming tournaments, meetings, and other important fencing news.
- SCA is also active on Facebook ([www.facebook.com/schermaCentrumamsterdam](http://www.facebook.com/schermaCentrumamsterdam)), Twitter ([www.twitter.com/scamsterdam](http://www.twitter.com/scamsterdam)) and Instagram (sca\_amsterdam). These social media accounts are used by many members to maintain social contacts within the club. Messages published on the website and the mailing list are also published on these accounts.

## Membership

SCA has four different types of memberships with different fees:

- |  |      |
|--|------|
| - youth member (up to age 18)                  | € 33 |
| - student member (student ID)                  | € 40 |
| - senior member                                | € 47 |
| - guest member (union member via another club) | € 31 |

The contribution is automatically withdrawn on a monthly basis.

We would like to receive the filled out and signed automatic withdrawal form as soon as possible, together with the filled-out membership form.

In case of serious disease, injury or temporary stay outside The Netherlands, longer than 4 months, you can send a *request* to suspend the monthly fee to [leden@schermacentrumamsterdam.nl](mailto:leden@schermacentrumamsterdam.nl). The board will decide if the request will be granted. The period of notice of one month is due. When you come back, the first month is free of charge. You will receive a confirmation.

In the case that you want to terminate your membership, you can only do so **via e-mail** ([leden@schermacentrumamsterdam.nl](mailto:leden@schermacentrumamsterdam.nl)), which is subject to a notice of at least one month counting from the day the e-mail has been received. Verbal communication of ending a membership to a coach or club member or using other e-mail addresses will not count as a termination of membership. You will receive a confirmation with the final date. Until then the membership fee must be paid, even when not coming to training.

## KNAS fee

Next to the membership fee, each member will be signed up as a member of the KNAS (Royal Dutch General Fencing Union). The club pays a fee for each member, which will then be passed on for payment to the individual members. This will happen per half or whole year, depending on the date of the start of the club membership. This fee will also be collected via an automatic withdrawal.

The KNAS-membership is mandatory due to the associated WA-insurance for clubs and fencers. The contribution is also used to support the sport through organization of tournaments, training for referees and coaches, and maintaining the website. SCA members are obliged to pay back all costs that KNAS collects via the club, but are meant for individual members, e.g. KNAS fee, contribution for referees, penalties (FIE and KNAS) etc.

### Equipment

The club is in possession of a limited number of basic equipment sets, which are available to new fencers for free. This set is made up of a fencing jacket, mask, glove, weapon and body wire. It is expected of new members to begin purchasing their own equipment after approximately 3 months of membership. After one year, each member is supposed to have his own complete set. The club offers several opportunities to buy equipment. Group orders and equipment repair courses are organized on a regular basis. Please contact one of the coaches for purchase or repair of equipment.

### Practice

The club offers different practice options for fencers. These all take place in the 'Bep van der Pol' fencing hall in the Frans Otten Stadion (IJsbaanpad 43, 1076 CV Amsterdam) and on Wednesdays in the Apollohal (Apollolaan 4, Amsterdam) Fencers are encouraged to participate in all practice sessions they are admitted to. In consultation with the coaches, competitive fencers can follow structural lessons. Guest members are excluded from individual lessons.
